LOT 25 - Jussiah Storage Cabinet with 4 Doors & Adjustable Shelf

Description

Tall storage cabinet

Features

- Protect your Privacy: Do you want a storage cabinet with good privacy? This
 cabinet will meet your needs. To protect your privacy, this cabinet is not
 designed with open space, instead, it has two closed storage cabinets on the top
 and bottom, fully protecting your privacy from being easily seen.
- Space Storage Master: Do not worry about the lack of internal space in the storage cabinet, the above cabinet size is 14.2H * 23.6W * 11.8D, and it has a partition, which can help you partition storage. The size of the lower cabinet is 23.8H*23.6W*11.8D, and to avoid the storage space below being wasted, we have set up adjustable partitions that can adjust the height as needed to meet your different storage needs. The upper and lower large-capacity storage space will help you create a clean and tidy home.

- Multi-purpose Storage Cabinet: Thanks to the simple shape of this cabinet and its classic color, it can be placed and used in different rooms. As a bookcase in the study to store books, as a sideboard in the kitchen to store plates and dishes, and other kitchen utensils. Of course, it's also great as a living room and bedroom storage cabinet. You can use it as needed.
- Do not worry about the cabinet shaking, this cabinet has been carefully designed, the structure is reasonable and scientific, can stand very stable. To prevent accidentally touching down, we have added an anti-tilting device behind the cabinet, which can be connected to the wall, so don't worry about the problem of tipping.
- Material and assembly: Our quality is also excellent, and the cabinets made of high-quality materials can be used for a long time. And storage cabinet comes with easy-to-follow and detailed paper instructions, and all of the hardware and pieces were labeled perfectly and easy to assemble.
