LOT 55 - 5-Piece HDPE Plastic Patio Outdoor Dining Set with Arm Chairs

Description

Create unforgettable outdoor gatherings with this durable 5-piece patio dining set. Crafted from waterproof, UV-resistant HDPE material, it combats fading, moisture, and extreme weather while maintaining vibrant aesthetics. The eco-friendly recycled plastic construction ensures exceptional durability and effortless upkeep for years of enjoyment.

Features

- **All-Weather Durability:** Engineered with high-density polyethylene (HDPE), this set resists cracking, warping, and UV damage, thriving in rain, snow, heat, or humidity for season-to-season reliability.
- **Umbrella Hole Design:** The table features a 2-inch center hole for quick installation of a standard patio umbrella (sold separately), offering customizable shade during sun-drenched brunches or summer dinners.

- Ergonomic Comfort Design: High-back chairs with contoured support encourage relaxed, extended seating, while smooth curved armrests enhance comfort for leisurely meals or lively gatherings.
- Effortless Cleaning: Spills and stains wipe away easily with just soap and water—no sanding, sealing, or special treatments required. Retains its polished look year-round with minimal effort.
